Entry Deadline: Please submit all materials to the P.O. Box or email address listed above by Monday, May 1, 2017 5:00 p.m. eastern time.

The DBDA maintains the Public Art Program in order to enhance downtown Boone's central business district through the incorporation of sculpture and artistic streetscape improvements. This annual program is designed to give sculptors an opportunity to display large-scale work in a pedestrian-friendly, downtown setting that supports a lively arts community. By providing a place to exhibit, the DBDA hopes to encourage arts activity within the community and provide an atmosphere and opportunity for artists to exhibit their work, share their talents, and communicate their diverse visions with residents and visitors. Since the program's inception over 20 pieces have been shown throughout downtown Boone.

The following information must be submitted for a sculpture to be considered for the 2017 – 2018 Downtown Boone Public Art Exhibit:

- Photos of the sculpture
- Dimensions and weight of the sculpture
- Date of commission
- A brief description and list of the composite materials
- Estimated value of the sculpture
- Other exhibit locations, if applicable

Jurors: The Jurors of the Downtown Boone Public Art Exhibit are members of the DBDA Design Committee. Decisions will be made by May 9, 2017.

If your piece is chosen by the DBDA Design Committee you will be contacted and a contract will be composed in relation to the specifics of your piece. Installation will begin the week of May 30 or soon thereafter with all pieces installed by June 20.

A \$1000 honorarium will be awarded to each of the chosen artists.
